

# **Bike Safety**

---

1. What should you wear when riding your bike?
2. What precautions should you take when riding at night?
3. Where on the road should you ride?
4. What traffic signals should you follow?
5. How should you cross a busy road?
6. How should you ride with friends?
7. What parts of your bike should you check before riding?
8. Draw the hand signals for Right Turn, Left Turn, and Stop
