

# Fire Safety

---

1. List two ways to get help if you see a fire.
2. What is your address?
3. Where is the fire extinguisher in your home?
4. What should you do if your clothes catch on fire?
5. What is the best way to get out of the house from your bedroom?
6. What is the second best way?
7. Where should you meet after a fire or fire drill at home?
